Antekco offers high-quality, durable and cost-saving equipment for all of your plumbing needs!

Amtekco's comprehensive range of stainless steel fabrication capabilities and the use of only the highest quality materials mean optimum durability and value.

Choose from unlimited styles and sizes of commercial sinks.

With over 40 years of experience, we can design and build a solution to meet your specific needs. Our extensive manufacturing capabilities and competitive pricing make us your best choice.

From one-hour quote turnaround to significantly shorter fabrication lead times, Amtekco's customer service is the best in the industry.

No one services the plumbing wholesale market better than Amtekco. We even offer a Quick Ship program which immediately fulfills "emergency" needs.

When you think of commercial plumbing, think Amtekco.

Amtekco's plumbing fixtures are in place throughout the country in a wide range of industries including government facilities, factories, warehouses, manufacturing plants, schools, prisons, hospitals, supermarkets, convenience stores and restaurants.
